

Ras Al Khaimah, November 2010

## Bab Al Bahr Project Status Information

Dear Valued Customer,

Our expert craftsmen and finishers are now putting the final touches to your property, and we are confident that it will meet – and indeed exceed – your every expectation.

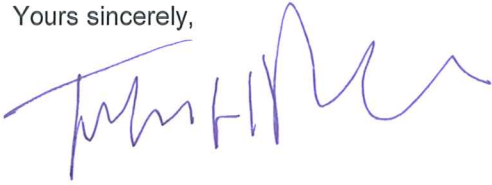

First inspections by the new owners will start in January 2011 with zone 1 including Fayrouz, Kahraman and Yakout building followed by zone 2 Marmar, Amwaj and Zumourud building in Q2 2011.

Landscape and greening of the neighborhood will be delivered in parallel with the completion of the buildings.

We look forward to welcoming you personally in Ras Al Khaimah.

Yours sincerely,

**John Bernson**
